The entire coast - and Rimini as its beating heart - turns pink, from sunset to dawn, in an explosion of lights, sounds, images and colours. A widespread event with music, shows and magic sets. "Pink & Love" is this edition's claim. In Rimini, two days of concerts on Piazzale Fellini, and after Friday's concert, at midnight, the entire Riviera will be brightly lit by the popular fire show, one of the most anticipated moments of this magical night. On the morning of Sunday July 3, on the Riminiterme beach, there will be the traditional Concerto all'Alba della Notte Rosa (5 AM), with the amazing backdrop of the sun rising over the sea

An exhibit arranged over several km of beach, about the most intimate and hidden Rimini, through some of Gianni Donati and

Pio Sbrighi's black and white shots. The photo-telling is complemented by sentences, quotes, the authors' thoughts and Romagna anecdotes. The images show a Rimini whose secrets belong to its residents, and articulated in sections dedicated to many different characters from Rimini's day-to-day life, universal archetypes where to recognize oneself, among sunbathers, fishermen and children, the stars of real-life scenes. The photos are taken from Gianni Donati and Pio Sbrighi's book, with the contribution of the famous Rimini author, Marco Missiroli.

Fellini Museum is the place where you can meet and rediscover Federico Fellini's one-of-a-kind universe, a Museum of imaginary that interprets the Director's cinema as the key to "You can imagine anything", rather than a completed work. It is the greatest museum project dedicated to the Director from Rimini, combining the poetic sensitivity of Fellini's cinema, with the latest technology and urban set-ups. A museum widespread on three spaces: Castel Sismondo, the big urban area of Piazza Malatesta, with green areas, show and art exhibit arenas, and Palazzo del Fulgor, with the historical movie theatre on the ground floor, and spaces devoted to information, study and research on the upper floors, with the Digital Archive, the World Room, the Cinemino, the Convivio, and other Fellini-like visions on the third floor.

Caste opening hours, September to May:
Tuesday to Friday 10 AM - 1 PM and 4 - 7 PM; Saturday, Sunday and Holidays 10 AM
